FOOTBALLERS INDIGNANT

Police Action Unwarranted

The circumstances behind the actions and threat of arrest given by police to the Altona team prior to the Under-18 football match at Werribee last Sunday has come under strong criticism from responsible Altona Football Club members.

They felt this action was not in any way justified by the previous record of the club and intend to ask pertinent questions as to who asked for the police and why they were authorised to be present.

Two policemen from Werribee were detailed to attend the match at Soldiers Reserve between Altona and Werribee. Before the game commenced the police accompanied the umpire to the Altona dressing rooms where the team was lined up and addressed by the police.

The team was told police had been sent there because of the team's bad reputation and were warned that in the event of any deliberate assault by the arm, bow or foot an immediate arrest would be made.

This action tended to upset the team. At quarter time Werribee led Altona 4.3-27 to 2.5-17. However, in the second quarter Altona settled down and ran out 19.15-129 to 9.6-61.

At the end of the match the police again spoke to the team. The policeman who spoke said he did not know why there had been so much adverse publicity about the team did not deserve it. He said he had no complaint as to the way the match had been played. It was a very good game and Altona was a good team. This amounted to an exhortation.

Officials of the local club have no complaint in any way against the treatment by the two policemen, whom they consider were doing their duty. However, they do feel that the circumstances behind the police action should be thoroughly investigated.

They do not relish the fact that adverse publicity given Altona's Under-18 team is most unjustified.

Cr. S. G. McIntosh, Altona Football League President, who has seen the team in action, has previously spoken strongly on this point. When asked for his comments on Sunday's happenings he said he was amazed at the action of the police and that it appeared to be an attempt to intimidate the team.

Only two Altona players have been reported by umpires since the League was formed and the team was unbeaten last year and is unbeaten so far this season.

ALTONA HIGH WIN CROSS COUNTRY

A team from Altona High School won the Under 16 cross country run held last Sunday at Footscray by the Williamstown Amateur Athletic Club.

One of the team members, David Morgan, was outright winner and another, Danny Cook, was second.

The two other team members, Philip Tyrell and Wayne Groves, finished seventh and tenth.

The team won on points.

The open cross country event was won by another Altona High student, Michael Rayner.

Soccer League For Local Schools

A soccer league among Altona district schools will begin very shortly.

Persons interested in helping to organise and coach the teams are needed.

Offers of assistance may be made to L. Roberts, 10 Bracken Grove, Altona, F. Walsh, 8 Keshan Court, Altona, or G. Reay, 17 Jennings-ave., Laverton, telephone 399-1612.

New Bank Opens

A new branch of the State Savings Bank was opened at 18 Lohse-st., Laverton, on Monday, May 8.

The handsome, contemporary building which has been designed to fit into a corner block, has large windows facing the park and a laneway.

It is constructed of reddish brown bricks, with concrete panels, finished in grey aggregate.

The spacious banking chamber is modelled on the open plan so popular in bank architecture today and has modern, low level fittings. Modern staff amenities are provided at the rear of the building.

An interesting feature is the barrel vaulted ceiling with its banks of strip lighting.

The building was designed by the bank's own architects and built by H. & L. Weaver.

This is the second bank completed on schedule in the last six months for the State Savings Bank by H. & L. Weaver, master builders of Altona, who specialise in this type of work as well as executive type housing in the western suburbs.

The Laverton branch, whose opening emphasises the bank's

policy of providing a needed service in developing areas, will provide a full savings bank service.

MANAGER

Mr. T. L. Boland has been appointed manager of the new branch.

He was previously a manager of the bank's relieving staff and has had wide savings experience.

He and his wife are residents of Newport, where they have lived for 30 years.

Mr. Boland is a man of many interests, chief perhaps of which would be cabinet making. In addition to building his own house, he has also made practically all the furniture for it. The exacting hobby of ship modelling is another of his activities and he is also a keen photographer.

Mrs. Boland is a very active worker for her church and is the secretary of the Ladies' Guild.

SEWERAGE EFFLUENT-QUESTIONS ANSWERED

A statement by the secretary of the Board of Works, Mr. H. J. Snadden, in reply to questions relating to sewerage effluent asked by Cr. W. L. J. Crofts, was read to Altona Shire Council last week by Cr. J. J. Ginfier.

Cr. Crofts had originally asked a number of questions on this subject and added a comment that complaints from the other side of the bay had been voiced.

Mr. Snadden said: "In response to your request, I submit the following answers to the questions set out in the cutting from the 'Altona Star' of March 16, 1967—

"1. No. (Question asked was if there was any danger to the beach from effluent);

2. To allay the future possible suggestions that the discharge of effluent is detrimental to the bay, the Board proposes to take tests prior to the discharge of effluent as a control measure.

3. The Health Commission has approved of the plan (question was if Health Department would be consulted);

4. There is no evidence to support the contention that the growth of seaweed in the area will be promoted.

"No complaints 'from the other side of the bay' have been registered with the Board. However, a reported objection from some bayside councils has been noted in the daily press. It is pointed out that the City of Mordialloc favours the disposal of purified effluent into the bay."

Referring to the statements that the Health Commission has approved the plan Cr. Crofts said he had no knowledge of any completed plan for the project.

He asked if the council could see the plan and added in a further comment that with his science experience he would support scientific evidence.

Cr. Ginfier said from an aesthetic viewpoint he might object to the scheme for a sewerage treatment plant, but for early sewerage of Altona it is necessary to approve the plan. Otherwise sewerage could be 15 to 20 years away.

Based on other proposals it is possible that the effluent could be sold instead of being discharged into the bay.

Cr. Ginfier said he would arrange for Cr. Crofts to examine the plans.

YOUTH COMMITTED TO SUPREME COURT

Ian Vincent Cowie, 20 years, of Emu-ave., Altona, has been committed for trial for using a firearm to prevent lawful apprehension.

The case will come before the Supreme Court after June 1.

He was committed for trial after a hearing in Footscray Court last Monday morning.

Several other charges have been adjourned.

The charge arose after police called at his home with a warrant of apprehension on another matter.

Married at St. Mary's

(Photo by Barry Sutton—65-6017.)

Father J. Nooney officiated at the marriage of Elaine, only daughter of Mr. and Mrs. John M. White, of Gordon-st., West Newport, and John Field at St. Mary's Church, Altona, last Saturday, May 13.

The groom is the elder son of Mr. and Mrs. Ernest J. Field, of Dove-ave., Altona West.

The bride is well known locally as for several years she has been a member of the staff of the Altona branch of the State Savings Bank.

A short jacket of heavy Italian ribbon lace was worn by the bride over her plain sheath gown of white angel skin satin. Her full-length veil was held by a tulle gathered to form a snowball and she carried a snowball of white carnations.

Matron-of-Honour was the bride's cousin, Mrs. Julie Edwards, and bridesmaid Miss Pamela Condon. Both wore pale blue crepe frocks with matching blue ribbon threaded through their hair and tied in a long bow.

Mr. Kevin Stafford was best man and the groom's twin brother, Frank Field, groomsmen.

The bride's mother wore a brown Thai silk ensemble trimmed with a fur collar and a cherry red knitted jersey suit was worn by the bridegroom's mother.

At the reception for 120 guests at Talbot Hall, Williamstown, the toast to the bride and groom was proposed by the Hon. A. W. Knight, M.L.C.

When the couple left the reception the bride wore a pale pink heavy linen ensemble trimmed with white. They are now on a honeymoon tour of Queensland.

FULL TIME JOB ON AIR POLLUTION

The Altona Shire Council has made several moves to give the senior health inspector, Mr. John Mellors, a virtually full time job on air pollution.

He is now making house to house calls near the State Electricity Commission's briquette depot at Paisley, taking down and checking complaints of dust made by residents.

The staff and planning committee has appointed Mr. John Kelly, a meat inspector employed by the council and a qualified health inspector, as health inspector to the health inspector's staff.

Mr. E. J. Mifsud, health inspector and a qualified weights and measures inspector, was appointed weights and measures inspector in accordance with the

award rates on a temporary basis to be reviewed in three months time.

Mr. Mellors was appointed air pollution control officer.

Mr. Mellors, the council's air pollution control officer, senior health inspector, senior weights and measures inspector, proper officer in accordance with various by-laws, housing officer in accordance with the Housing Act and prosecuting officer, is to be appointed a Commissioner for taking Affidavits in accordance with the provisions of the Evidence Act.

The council has resolved to fully back, co-operate with and protect its prosecuting officer should any court action be taken against such officer following his to council or made regarding recommendations or statements findings, recommendations or investigations in matters within his ambit of duties.

EDITORIAL

THE VALUE OF ALTONA INDUSTRY

The value of Altona industry is twofold.

The enormous industrial capital investment in Altona apart from other aspects has, by its contribution to rate revenue, substantially assisted in the progress of the shire.

As well, industry is necessary to provide local employment. Here the position is not good.

A survey in 1964 based largely on the previous census showed that two-thirds of male workers of Altona had to find employment in places outside the shire and of the females only one-sixth could be employed locally.

The results of the last census are not yet available, but there is little reason to expect any great improvement.

It is of course desirable that to an extent Altona should remain as a dormitory town. It is a pleasant place in which to live, even if one must needs work elsewhere.

But if suitable labour employing industry can be brought to Altona, so much the better.

Various methods of attracting industry to particular localities have been practised.

Morwell, for instance, is being industrially promoted in prominent magazines (with emphasis on available female labour). Sunshine, with good acres of industrial land, proposed an elaborate brochure.

Altona has a smaller potential. Much of its vacant industrial land is held by local or other industry as an insurance against the future. Slough Estates, with its factory lease plans, has a relatively large area open to new industry.

Altona industry will grow, if only concurrently with western Melbourne industrial development. The possibilities opened by the new bridge cannot be overlooked. Whether any further incentive to its growth is possible or necessary is debatable.

We can be assured that this Altona need will not be overlooked in any publicity plans.

But in the final analysis efficiency and economy will be the guiding and controlling factors in the establishment of new industry in Altona.

ALTONA TIE IN SOCCER AGAIN

Ferntree Gully proved a hard nut for Altona Soccer Club to crack at Kim Reserve last Saturday afternoon.

The largest crowd yet, over 400, turned out to see Keith Vanderpoel make his home debut. The crowd received plenty to roar about as Altona swung into attack.

This is the sort of play that supporters want to see. It looked as if Altona were going to score at any tick of the clock, had it not been for Big Jim Davis in goal for Ferntree Gully. He pushed a ball round the post from a Wilkie drive which looked a certain score. Herman and Vanderpoel had good tries which were equally well stopped.

With Balish and Abbott spoon feeding these forwards, thrills and spills galore were happening in front of the visitors' goal.

Herman scored a goal, but it was chalked off for offside. Coles crossed one from the left, but again Davis saved well.

Ferntree Gully were by no means out of this game and in lightning raids Copley, Grecco and Milloy had to be at their best to stop the Gully.

Roberts, in goal for Altona, was playing well. He pushed a corner kick which was destined for the net, over the bar and with good clearances started more attacks.

However, half-time came up with no score on the board.

In the second half Altona lost some of their dominance.

Vanderpoel seemed to be limping, but he still managed to swing over a good ball and Wilkie cracked in a great shot. It rebounded off the keeper and as the ball was in the air in rushed Bell to head in a great goal.

Dennis isn't a first XI regular and what a thumping he received from his team mates.

Cock-a-hoop now that they had scored a goal, Altona were right on top. Herman out paced the Gully defence, juggled the ball on his head, then on to his foot, but again Davis saved the day for Ferntree Gully, who immediately swung into attack. For the first time they got through the Altona defence. This time it was Ian Roberts who blocked the ball, saving a certain goal.

Play ranged from end to end and in the final minutes a drive eluded Roberts' hand and

spun back over the line to give Ferntree Gully a lucky equaliser. Copley moved up into attack, but the game ended with Altona still undefeated in eight games and still League leaders.

NEXT GAME

This Saturday Altona visit Green Gully Ajax. Let's hope Barry Stevens will be fit for this game, as a spearhead is badly needed.

RESERVES

Altona Reserve XI played a great game against Ferntree Gully Reserves. Alan Wynne scored the goal. Glen Macfarlane is moving well and Ziggy Jablonski at right back was also in good form.

SUCCESSFUL DANCE

On Saturday night the dance was an absolute sell out. Noel Farrar's Band was in great form.

CRICKET CLUB PRESENTATION NIGHT

Altona Cricket Club held its annual presentation night at the Civic Hall on Saturday, May 6.

The club president, Mr. Frank Kirk, extended cordial welcome to Cr. H. W. Lee and Mr. Lou Barker, president of the Newport ANA Cricket Club, and members.

The presentation of trophies was made by Cr. Lee and team captains to the following:

J. Dellar, A Grade Batting; L. Cummings, A Grade Bowling; E. Milner, B Grade Batting; F. Kirk, B Grade Bowling; R. Duckett, C Grade Batting; D. Conradi, C Grade Bowling; J. Duncan, most improved and hat-trick; K. Flett, most promising junior.

The C Grade premiership side was presented with team photographs and medallions.

After the presentations the members entertained, firstly with the "Barber Shop Quartet" consisting of T. Gray, R. Gray, J. Blockerius and R. Duckett, singing a bracket of numbers during the barn dance.

After supper a "Bathing Beauty" contest, conducted by

Mrs. G. Winfield, was held which included some well-known "girls" about town—J. Dellar, R. Cook, N. Michael, L. Cummings, Hancock and G. Hosken. The final winner by the enthusiastic applause of the audience was Ron Cook (Miss No-Bah), who was presented with a sash as the president.

The "girls" then danced a lot of honour with selected partners. It was noticed that a lot of them, in "her" enthusiasm split the rear of her 18th century costume.

The Altona theme song was then presented by the wife of Marge Duckett.

A good night was had by all with members suggesting similar night for next year.

It was noted that the "beauties" left for home with broom sticks.

Fr. NOONEY'S 21 YEARS IN PARISH

Father J. Nooney has been Altona Parish Priest for 21 years. In that time, by his friendly approach, he has endeared himself to all, including many outside his church.

A door knock of families in the parish resulted in the gift to Father Nooney of an electric blanket and a cheque.

This presentation was made at a social held at St. Mary's Church. Among the 240 present were the Shire President, Cr. S. G. McIntosh and Mrs. McIntosh.

This successful social, the first to be conducted by the newly formed St. Mary's Parents and Friends' Association, will be the forerunner of others to be held occasionally.

W'TOWN JAYCEES CALL MEETING

Williamstown Jaycees received a request to organise a public meeting to encourage the voting public to support the Federal Government's referendum to give Aborigines equal rights.

Vice-president John Patterson was appointed to organise this meeting for such a worthwhile cause. The meeting will be chaired by the Mayor of Williamstown, Cr. Leo Hoffman, who has kindly donated his services.

The meeting will be held at Talbot Hall, Ferguson-st., Williamstown, on Thursday, May 18, commencing at 8 p.m.

On May 27 a referendum will be held throughout Australia. Three proposals will be submitted to the people.

Two of these, if carried, will remove all discrimination against Aborigines from the Constitution of the Commonwealth of Australia.

At the present time the Aboriginal people are not counted in the census of the population and the Commonwealth Parliament has no power to pass laws to benefit them, even though it has power for every other person in Australia.

The Federal Council for the Advancement of Aborigines and Torres Strait Islanders wants to make sure that the Australian people vote YES for the proposals on the referendum on May 27.

Since its formation in 1958 the Federal Council has vigorously campaigned for the rights and advancement of Aborigines and Torres Strait Islanders.

The guest speaker for the evening will be Stuart Murray, who will give his views and then answer any questions concerning the referendum.

Honor For Cricketers and Bowlers

Altona Shire President, Cr. S. G. McIntosh, presented the shire's Certificate of Merit to the Altona C Grade cricket team and the Altona Bowling Club at the last council meeting.

He presented the certificates to cricket president Frank Kirk and bowling president Tom Burke. Cr. McIntosh congratulated them on their recent sporting successes, and the presidents thanked the council for their support.

NEW ST. JOHN MAN WORRIED

Mr. P. T. Bye, the newly appointed superintendent of St. John Ambulance Division at Altona, is alarmed at the state of affairs of the division which at present consists of five or six active senior members.

There are approximately 35 in the boys brigade and a number of girls in the girls unit.

However, with a view to stemming interest in the division, he is endeavouring to arrange courses to increase membership and knowledge of ambulance matters generally, and makes an appeal to the staff committee to do what it can to make sure members of staff make use of the course.

He suggested a bonus payment to staff members who obtain the necessary St. John Ambulance qualifications and keep themselves so qualified.

The council undertook to bring to attention of council employees, the work and courses of instruction which are given by St. John Ambulance.

But it decided that no action be taken regarding bonus payments to personnel who become so qualified.

Camera Club Course Commenced

A number of enthusiasts turned up for the first part of a specially run Beginners' Course.

This also acted as a refresher for some of the old hands. The working parts of a camera were explained in full and the uses of speed and aperture controls turned out to be not so difficult as a lot of people had supposed.

In fact a lot more use should now be made of these parts of a camera which had previously been left alone for want of know how. Part 2 of this course will be held on Friday 26th May, starting sharp at 7.30 p.m. There is still time for anyone interested in starting at the beginning.

Using the club's new floodlights, an indoor shooting session followed the conclusion of the first Beginners' Session. Some good results are being turned in by members taking part in these know-how sessions and with winter coming on, this is a cheap way of providing indoor sunshine to keep the camera busy.

For those interested in another outing, the Club is off to snoop around the Shipping areas of Port Melbourne on Sunday, May 21, leaving the corner of Sargood and Queen Sts., at 10 a.m., returning in time for lunch. These outings are proving popular and provide an excellent means of collecting a set of interesting negatives.

The Annual General Meeting of the Club will take place at 9 p.m. on Friday, 26th May, 1967 and all members are asked to make every effort to attend.

Elderly Citizens Activities

The monthly dance at the Altona Elderly Citizens Club will be conducted next Saturday night, May 20.

Baseballers Lose One and Win One

After losing to Collingwood on Satur-

Fitzroy.

On Saturday B Team played

lingwood and C Team had a per-
centage-boosting 21-0 victory.

MATCH RESULTS
A TEAM—SATURDAY
Against Collingwood at New-
port on Saturday, the A Team
put up a poor performance and

A TEAM—SUNDAY
At Fitzroy on Sunday New-
port's A Team played extremely

six innings, then coach Harry
Douglas took over the pitching
and finished the job off.
Inconsistent base umpiring
robbed the A Team of at least
two other runs.
SAFE HITS: B. Cleary (home
run), B. Ockwell, R. Simpson
and R. Salter.
BEST: B. Cleary, R. Simpson
and A. McKay.

B TEAM—SATURDAY

port fought back to score six
times and just failed to snatch
this game back.
A more concentrated effort in
the first five innings by Newport
and this game would never have
been lost.
SAFE HITS: W. Minnett 2,

number of jumping records and
has represented Victoria at inter-
state carnivals, won five events
in the girls' open section.
Pat James starred among the
under-17 girls.
Adrian Cox and Alan Frost,
with five wins each, cleaned up
all the boys' under-15 and un-
der-14 running and jumping

An up and coming performer
is Harry Laumets, who won three
under-13 events.

Final aggregate scores for
the four school Houses were:

DUST 'WAR' DISCUSSIONS

The Altona Shire Council will, next
Monday, discuss the latest move in the
"war" with the State Electricity Commis-
sion over its briquette dump at Paisley.

The council and residents near the dump have
been becoming increasingly worried and disturbed
by the dust that a south wind whips off the dump.

The latest move is a letter
from the SEC secretary, Mr. F.
P. Chipperfield.

Mr. Chipperfield's letter says:
"I refer to your letter of
April 12, 1967, concerning a
council resolution that the Com-
mission be asked to advise on
what improvements it has made
over the last 12 months to allevi-
ate the dust problem at Paisley
Briquette Depot.

EXPENSE

"A great deal of expenditure
has been incurred in reducing
dust emission since the site was
acquired in 1949, including an
afforestation plan which resulted
in the planting of some 2500
trees and the progressive in-
stallation of sprays which are
operated during summer months.

"These have been supplemen-
ted by the addition of three water
carts which with the sprays are
operating on a seven-day basis.

"During the past 12 months
the Commission has spent ap-
proximately \$30,000 on dust sup-
pression, including the water
charges for millions of gallons
used during the year. Because
we have been using as much
water as we can get from the
Melbourne and Metropolitan
Board of Works for watering
down the area we have also been
experimenting with higher pres-
sure sprays to see if better re-
sults can be obtained. We have
purchased an improved type of
mobile water tanker capable of
saturation spraying and, as this
proved effective, a second tanker
has been ordered.

EXPERIMENTS

"Experiments have been car-
ried out with the spraying of
bitumen emulsion on briquette
stacks and access roadways
around stacks. In addition, all
overhead bunkers have been
covered and new sheeting added

to the briquette crusher during
the last year to stop dust escap-
ing at these points at a cost of
\$3300.

"On selected still days clean-
ing of pocket areas around the
depot yard is carried out on a
continuous basis.

"Stock holdings of briquettes
at Paisley have also been pro-
gressively reduced and this has
allowed stacks to be moved fur-
ther back from the fences and
the areas between the stacks
and fences sown down with grass
—the nearest stack to Mason-st.
is now some 250ft. from the
fence. Open areas which are
not grassed have now been
covered with a layer of briqu-
ettes and, although it is in the
nature of an experiment, it ap-
pears most successful and is
being carefully watched.

"I would like to assure the
council again that the Commis-
sion is most conscious of the
continuing need to take measures
for controlling dust emission
from the depot. The depot staff
is well aware of its responsibility
and takes a keen interest in re-
ducing the effects of sudden
wind gusts to a minimum," Mr
Chipperfield said.

METROPOLITAN FOOTBALL LEAGUE — SENIOR DIVISION

ALTONA MOVES INTO SECOND POSITION

Altona defeated Thornbury at Grant Reserve last Saturday in the Metropolitan Football League and their third win in a row puts them in second place.

Thornbury won the toss and elected to kick with a strong southerly breeze.

Altona attacked from the bounce and were turned back twice by Thornbury in a very fast opening by both teams.

A long kick to the forward zone and Ron Schwabbe marked safely. He kicked truly and for the second week in a row had first goal of the match.

Thornbury, after battling with a tight defence, goaled and soon after had their second on the board. Altona was defending strongly, but Thornbury managed their third.

Andrew Skelley, playing his first full game, took a clever mark and scored with a major. The term ended with Altona 2.2-14, trailing Thornbury 3.3-21.

The bounce at the beginning of the second quarter saw Altona quickly into attack.

Skelley swooped on the ball, baulked, back pedalled and with a flashing handpass, found Mal Tisdale in full flight. His glorious punt on the run had six points up one minute from the bell.

After a series of behinds by both sides Schwabbe marked grandly and kicked a much needed goal.

Another point to Altona and the siren sounded half-time with

Altona in the lead, 4.7-31, to Thornbury's 3.5-23.

The third quarter started and the wind had freshened once again.

Thornbury goaled and then play see-sawed. Tisdale, playing like a well-oiled machine, flashed the ball to Phil Reid and after beating two opponents he kicked truly.

Thornbury goaled again and then Skelly, making position well, marked and kicked straight.

Altona were looking fitter when the term closed. They had applied and kept full pressure on Thornbury and deserved their lead of 6.10-46 to 5.8-38.

The final quarter opened with the wind dying down, but Altona were undaunted.

Austin Molloy, with great anticipation, kicked successfully with his left foot from the pack. Tisdale went to full forward after cramping and had his third goal on the board.

Altona's defence was keeping Thornbury out, then Skelly put

his third through the centre, and Tisdale, not to be outdone, got his fourth and it was all Altona.

Schwabbe marked high overhead and kicked his third goal.

Skelley kicked his fifth goal and the siren sounded the finish with Altona winning 13.13-91, to Thornbury's 6.10-46.

GOALS: Skelley 5, Tisdale 4, Schwabbe 3 and Molloy.

BEST: Mal Tisdale, J. Peterson, A. Skelley, G. Morrish, R. Petersen and R. Schwabbe.

NEXT MATCH

The Seniors go to Reservoir this Saturday in what has become a must. Both sides have won three games each and the loser could drop out of the four. So this should be well worth the trip for supporters of Altona.

The Reserves are at home to Preston Wanderers, and with a strengthened side are expected to gain their first win.

ALTONA U-18's REMAIN UNBEATEN

At Soldiers Reserve, Werribee, on Sunday, Altona Under 18's overcame all obstacles and the Werribee team to maintain their unbeaten record.

Captain Dennis Boyle continued to lose the toss and Werribee kicked to the road goal, favoured by a good breeze.

The visit of the local constabulary upset the concentration of the Altona team and also the correspondent as the notes for the first quarter of the game are missing, but at quarter time Werribee led 4.3-27 to Altona's 2.5-17.

Altona raced into attack with the wind in the second quarter and were soon in front.

Ian Haugh marked well under pressure, but the Werribee forward hit the ball from his hand and the umpire called play on and from the scrummage Werribee goaled and led again.

"Moose" Wenlock really started to fire the Altona team and they turned on a burst of brilliant football, during which they tore the Werribee defence to shreds and in spite of the rubbishing that some Werribee supporters hurled at them, Altona led 9.7-61 to Werribee's 5.3-33.

After the long interval Altona were first in attack, but only behinds resulted.

Wenlock marked well and up came Altona's tenth goal. Sam MacFadyen, who was playing under difficulties with a bruised knee and a deep cut on the leg, marked and brought up the next major.

The Werribee attacks were turned back by Altona's domin-

MAIDSTONE CONTINUES WINNING RUN

Maidstone continued their winning run in the Western Suburban Football League when they beat Central Altona by nine points last Saturday.

Altona Under 18 and West Newport Under 16 are also unbeaten in their grades and, like Maidstone, are top of their respective ladders.

In beating CENTRAL ALTONA, Maidstone showed a tendency to become inaccurate in front of goal and must improve their kicking for goal or this fault may bring about their first defeat.

NEWPORT, yet to reach peak form and they had better soon, were well beaten by WEST NEWPORT, who finished strongly.

LAVERTON, although weakened by injuries, were much too good for the battling SOUTH KINGSVILLE.

WESTERN SUBURBAN FOOTBALL LEAGUE

ALTONA U-16's FIRST WIN OVER WERRIBEE

The small crowd at Soldiers Reserve, Werribee, were treated to a real crowd-pleasing game when Altona Under 16's defeated Werribee by four points for their first ever win over the home side.

After losing the toss Altona kicked into the breeze in the first quarter and were soon under pressure by the home side. Only strong play by the last line of defence held Werribee up from establishing a winning break early.

Ian Hardham, scouting the forward pocket well, marked and kicked accurately and then followed up with a behind. From this point on Altona started to come into the game.

Due to wind changing just before quarter time, Altona again kicked into the breeze in the second term.

Vic Pateras, now taking control of the centre, and Brian Garde, defending strongly at centre-half back, kept forcing the ball into the forward area, but the forwards were not making full use of their opportunities until Stephenson flashed in for a much needed goal.

At half-time Altona were 16 points behind Werribee.

With use of the wind for the first time in the game, Altona started to show their true form.

The Altona ruck and rovers were on top and gave plenty of drive and with the centre line winning the forwards were getting plenty of chances to score.

Again Hardham proved to be the best forward by making position well to score two goals, to be followed by one each from Zapart and Flett.

Altona hit the front for the first time to lead at the interval by two points.

Starting the last quarter only two points in front, and kicking into a strong breeze, Altona now had a big task ahead of them to hold Werribee out.

Going in fearlessly and tackling strongly from the bounce Altona shocked Werribee with their fierce desire for the ball and when Van Dyke and the ever reliable Hardham scored a goal apiece, Altona ran to a 15 point lead and looked as though they would run out comfortable winners.

But bad luck again struck and Bruce Grant, who had been rucking strongly throughout the game, was injured and had to leave the field—leaving Altona with only 17 men for the last 10 minutes of play.

Sensing victory within their grasp, Altona re-doubled their efforts to retain the lead and held on grimly to win by four points.

BEST: K. Flett, V. Pateras, I. Hardham, B. Garde, P. Hartney and W. Simmons.

ant backline. The ball was forced downfield and John Duncan, who was starting to really burn in the centre, found Mike Calaz for another Altona goal.

Werribee then broke through for two quick goals, then Wenlock picked up smartly on the bounce and raced in to notch his four goal. Ray Patton then brought up the fourteenth.

At three-quarter time Altona was well in control, leading 14.10-94, to 7.6-48.

Coach Lou Thompson really gave his team a pep talk at the interval and from the bounce it was all Altona.

After two behinds MacFadyen kicked truly.

The backline was still in control for Altona and a short punt pass found Duncan who kicked another goal for Altona.

A misjudged handpass let Werribee in and they sped goalwards to score the first major for the term.

MacFadyen and Jensen both goaled for Altona and Werribee replied with a major. Altona soon goaled again and their defence held Werribee out for the rest of the match for Altona to go on and win 19.15-129, to Werribee's 9.6-60.

GOALS: Patton 4, Wenlock 4, MacFadyen 3, Duncan 2, Calaz 2, Jensen 2, Walker and Page.

BEST: R. Patton, M. Crump, L. Wenlock, D. Boyle, I. Haugh and Lawson.

The Altona Car Sales Trophy (a pair of cufflinks) was won by Ray Patton.

Chis-Lon Thanks Council

Mrs. L. Oakes, secretary of the Chis-Lon Altona Spastic Aid Committee, has written to the Altona Shire Council saying:

"Please pass on to the Altona councillors our sincerest thanks for continued financial support and also for granting us permission to collect at the polling booths, although it turned out such a wet day that we only ended up with \$46.

"We thank you, too, for the opportunity of catering at the naturalisation ceremony on May 5. Our street stall on Saturday morning realised \$73.35.

"We are also grateful for the yearly donation of \$200.

"The continued support of the councillors, their wives and the general public help us as a committee, to bring confidence and hope to those less fortunate than ourselves and to remember always—'It is more blessed to give than receive.' Once again, our sincere thanks."

DARTS RESULTS —

Last week in the Western Suburbs Darts Association Seaholme forged ahead on percentage when they trounced Racecourse No. 1 by 12 games to one.

Mick Ellis was the only Seaholme player to lose a game, and brother Wally, now coming back to his old form, disposed of his opponent in 17 darts.

Ken Kennedy is slipping back, as he used 31 darts to win his game. Ron Bailey is still the most consistent player in the Association. Even after using nine darts before getting his double to start, he went out in 20 darts (63, 125, 73, double 20).

Racecourse No. 1 have a few good players in their team—especially among the Awty bros. L. Awty was the one to dispose of Mick Ellis and M. Awty extended Ken Kennedy. T. Broto put the pressure on T. Rogers. The Racecourse boys are failing on the finishing double. However, win, lose or draw, the team is a pleasant one to meet.

In the match between Goodrich and Laverton Progress, Goodrich proved far too strong to take out the match 10-3.

Cliff Holton flashed into brilliance when he finished his game against L. Jackson in 12 darts (72, 140, 39, 50). This was Jackson's first game since 1965 and he was a bit strange to the new procedure.

Ken Harris should have won his game in 17 darts, but fell down on his double and lost to F. Clarke, who had a nice finishing shot (11, 19, double 19).

C. Neal, another player who took more darts than warranted, defeated T. Edwards.

Jim Crooks, who, after having a bad spell, is beginning to regain his form when he defeated a very hard opponent in Arch Shipsey. Arch always manages to lift his game when the pressure is on.

Tom Edwards, although he lost in the singles and doubles games, "threw" himself to fame when he scored the possible—180—and is now a member of that exclusive 180 Club. This now gives Laverton two members of the club—the other one is Harry Morton.

Commercial easily disposed of Sunshine Golf Club, 8-5.

Bob Barker, who has been away in Tasmania for some months, returned to the fold, but has not regained his old form. He went down to Herb Rule.

"Curly" Taylor accounted for Mr. McGrann.

George Hinchey played his best game for the season when he defeated G. Hanlin in 19 darts.

After being down 6-2 in the singles, Sunshine Golf Club made a fighting comeback to win three of the four doubles games.

Yarraville, full of confidence, fell foul of the Ashley Scratchers by the odd game. After being down in the first three singles, they rallied to win the next two, then lost the next two. They won two of the four doubles and then the team game.

Newport journeyed to Werribee Hotel and the trip was worth two premiership points for them when they emerged the victors with an 8-5 win.

Pioneer, away to Ashley No. 1, had a good 10-3 victory.

Bill Klein played a dazzling game to defeat Bil Gadsby in 13 darts (39, 57, 83, 86 and double 18).

Sue White, the only female playing competition darts, won her first game when she defeated a new player for Pioneer, R. Keep. This was a marathon game—it took 52 darts!

Bill White (Sue's father) kept up the family honour by defeating Brian Beet.

C. Chambers whitewashed T. Pelly, of Ashley, in 40 darts and R. Parke whitewashed S. Patterson, of Pioneer, in 21.

John Payne (Pioneer) easily disposed of R. McKinley in 18 darts, thus proving his worth of being a member of the association team to play in the State Teams Championships.

Exchange also travelled to the Ashley Hotel to pit their skill against Ashley Patrons, but they failed to notch two premiership points by one game.

The match was a slow one, judging by the number of darts thrown for each game—the lowest being 21 and the highest 52, others were 39 and 42.

Bristol visited Deer Park Hotel and although they won by 8-5, did not play to their usual form.

"Gunga" Dean played the game of the season when he disposed of Alf Martin in 11 darts (100, 61, 100, 20, double 10).

Doug Stirk fell foul to C. Saul. Sid Naylor turned in his reliable game by defeating H. Rae.

Ted Healy defeated his ex-team mate Eric Millardship (both ex-Pioneer players) in 20 darts.

In the doubles "Gunga" Dean and Fred Condon whitewashed A. Martin and S. Badderley.

AIR POLLUTION ACTION COMMITTEE FORMED

The Council of Progress Associations of Victoria has a viewpoint on air pollution strongly similar to that already expressed by Cr. W. L. J. Crofts at an Altona Shire Council meeting.

The CPAV has decided to form an air pollution action committee to implement a seven point proposal already considered and presented to the Minister of Health.

These can be summarised as—

- Government legislation to include a clean air division within the Health Department which will accept the fullest responsibility for control and prevention of air pollution;

- This division to be on similar lines to New South Wales—adequately staffed for laboratory and field research;

- Reconstitution of the clean air committee to give a greater representation to councils and other organisations—with more frequent and regular meetings;

- A license system for in-

dustrial having a potentially high pollution discharge;

- Legislation to compel all motor vehicles at earliest opportunity to be fitted with anti-pollution devices;

- Uniform State-Commonwealth legislation; and

- Assurance of the fullest possible support from the clean air committee to municipal councils.

The Minister of Health has given no firm answer on the proposals as yet.

Though the Altona Shire Council has been active in air pollution matters, it was not associated with the deputation to the Minister.

The general effect of the proposals is for a State body adequately staffed and equipped with full responsibility and powers to take actions now per force being performed by local government bodies.

STARS SAINTS and SINNERS

By RON COLEMAN.

STARS this week are The Easybeats, Australia's number one pop group who are appearing at Festival Hall tonight.

Like The Seekers, this group has achieved recognition and international popularity and their recording of "Friday on my Mind" has sold over a million copies world-wide.

The "Easys" comprise a mixed bunch of migrants who formed a group while they were residing at a migrant hostel in Sydney. When they went to Britain they had very little money and their chances of making it big in London were very slim.

Then they recorded "Friday on my Mind" which was their last "do-or-die" effort and fortunately the British teenagers loved it. But this was only the start, for when the record was released in America it was a hit there, too, and received a tremendous amount of air play on radio in the U.S.

Consequently, The Easybeats have been booked for an American tour after their brief stay in Australia.

Never mind though, girls, you will be able to see Normie soon.

Yes, The Easybeats arrived in Melbourne this week a successful singing group — meanwhile Altona's Duncan MacKellar left Australia for Britain on Monday on the "Castel Felice." Good luck, Duncan!

LOVED ONES AT WERRIBEE

STAR attraction at Werribee's Bus Stop dance this Sunday night are The Loved Ones.

Here's your chance to see Gerry Humphries and his groovy group in person—just catch the free bus provided.

Other coming attractions include The Twilights, National Breakouts and The Vibrants.

Coming Soon

Watch out for news on a suspicious group who call themselves The Lost Legends.

GOSSIP

Expected to hit the big time soon are Larry's Rebels. These boys are New Zealand's biggest sensation since Max Merritt and the Meteors.

Latest group to migrate here from Adelaide are the Third Party, who will be releasing their first record shortly.

"Return of the Seven," the follow up film of the "Magnificent Seven" starring Yul Bryn-

ner, should appear in Melbourne shortly.

Although this show is a western epic, most of the shots were taken in Spain.

One of the stars, Jordan Christopher, married to Richard Burton's ex wife, is a band leader, but in the film he portrays an amateur bullfighter.

The Laurie Allen Revue have signed a recording contract with Festival and watch out for their first record, "Saved," which is about to be released.

Wonder what the Bee Gees are up to? Should be hearing from them soon.

SPEAR TO THE "GOBBLE"

On Tuesday the promoters of the well-known "Catcher" discotheque opened a unique business termed the "Gobble Shop."

The "Gobble," which is situated in a lane between Spring and Exhibition-sts. in town, caters for the in-crowd in every respect.

Teeners may dine to the music of gas, groovy, gigs (groups), purchase the latest "switched-on" mod and stylist gear or have it tailor made.

A barber imported from Sydney will provide the latest stylist haircuts for "malies" and "fe-malies."

Or on certain week nights the "Gobble" will become a discotheque where groovers can mooch to the latest bands.

So in the words of Harold, "Spear down to the 'Gobble,' swingers."

The "Gobble" is open during the week, so you may be able to pay a visit during your lunch hour.

This curiosity shop is, no doubt, Melbourne's first opposition to "Bag O' Nails" in Carnaby-st., London.

COMPETITION

Answer to last week's puzzler was "Going Home," which is Normie Rowe's latest record.

Winner was Deldre Dodd, who may choose her free record from NEV'S VARIETY BAR.

THIS WEEK

Have a guess as to who will win the footy match between FOOTSCRAY and ESSENDON this week.

Entries must be in by Saturday morning. Good luck.

Surprised to see that Donovan's recording of "Mellow Yellow" earned him a gold record.

Lee Hazlewood, who sang the male part in "Sumer Wine," could have another success with his latest number which deals with Parisian females.

SPEAKING FOR

ALTONA CAR SALES

STAN McINTOSH SAYS . . .

Dear Friends,

I would like to thank the very many persons who have contacted us (Altona Car Sales) with regards to the purchase of cars and insurance of cars and also expressing their appreciation and interest in this column every week.

We never for the life of us thought that it would create the interest it has done in our community, and only goes to further our beliefs that the people of this shire are not only civic minded but are interested in all things going on round about them.

Rightfully so, we can boast about having the best municipal offices in Victoria, we have a wonderful elderly citizens club, as well as a working men's club. Sporting organisations such as the football club, life savers, pedal club, cricket club, hockey club, soccer club, and so on and so on, and all have proved their worth in whatever sport they play by being the best in their respective league or competition.

We in turn (Altona Car Sales) try to live up to this high standard by giving of our best to the community in the way of good, clean, roadworthy cars at competitive prices.

So if you are thinking of buying a car—a car you would be proud to take anywhere—just as proud as we are of our sticker on the rear windows, then visit us (Altona Car Sales) and we can assure you that you will get the best value for your money anywhere.

Yours sincerely,

STAN McINTOSH.

TABLE TENNIS COACHING

So many junior players are now applying to the Western Suburbs Table Tennis Centre for coaching that it has been decided to inaugurate a junior coaching scheme.

Details of this are now being worked out, and the scheme is planned to commence on Saturday, June 17, and run through until August 5.

Top ranking A Grade player Roy Warrior, who is a Victorian State coach and umpire, will lead a panel of skilled players in this worthwhile effort.

With support from the committee, plus the facilities available at the local centre, this venture should enable young players to make speedy progress at this

On Sunday, May 1, church parade was held at St. Andrew's Church on the RAAF Base.

Both Guides and Brownies attended St. Paul's Cathedral for St. George's Day Parade. The flag was carried by Peta Green.

The Commissioner, Lieutenant, 10 Guides and the Captains attended the Festival of Friendship held at Festival Hall when the Chief Guide, Lady Baden Powell, was in Melbourne.

Proficiency badges gained this month are—THRIFT: Wendy Lynn; MAP READING: Susan Lynn, Wendy Baker and Carol Baker; SERVICE STAR: (First Year) Cheryn Green. (Third Year) Peta Green. (Fourth Year) Sandra Tibbles.

Parents and friends are reminded of the paper collection which will be undertaken by the Guides and Scouts on Saturday and Sunday, May 27 and 28.

All interested folk are invited to attend a public meeting at the Guide Hall, Monday, June 19, at 8 p.m. The intention is to form a committee to organise work needed on the hall.

At a recent cake stall the Local Association raised \$29 and the members wish to thank donors and supporters for their support of this effort.

Quite a number of adult and teenage people are also anxious to improve their standard of play, and it is hoped to make provision for them to take part in the coaching scheme.

Altona Hockey Club

PUCKAPUNYAL TRIP

A successful day was had by all members of the Altona Hockey Club who attended the annual trip to Puckapunyal.

Altona was not so successful on the field, as they were defeated 6-1. Eric McCauley was the only scorer.

It is felt that if Altona can field their best side in a return match in three weeks time then results could go either way.

Mens Hockey

B NORTH

Altona went down narrowly to Geelong 3-2. Geelong is in second position in the four and it is pleasing to see that the only teams to have beaten this team are teams in the four.

Once again the team played very good hockey and were unlucky in the final score. R. Lukaszewski, an under 16 player, played a very good game at centre forward, and scored the first goal. It was not Geelong's game by any means, but it was a good game to have won.

There was not one really outstanding player on the ground, as the team played well as a team, and it is felt that when they settle down they will make the four.

GOALS: S. Symons and R. Lukaszewski.

BEST: K. Robertson, B. Forster and W. Lenzy.

C GRADE

Altona were defeated by Essendon 3-0.

With several changes from the previous week, Altona faced a very hard game against the third team. With much more system and more purposeful hockey, the Altona side were lucky to get away with a 3-0 defeat, as the backs had to defend all day.

BEST: Blunt and Henshall.

E NORTH

Altona journeyed to Footscray to win 2-0.

This game opened with very fast play on both sides. Altona was quick to score with a beautiful goal from B. Gardiner. Then the forwards started to get over anxious and missed golden opportunities in front of goal.

Once again B. Gardiner, with clever stick work, ran rings around the Footscray goalie and scored the second goal.

The second half opened up with Footscray attacking, but the Altona defence was working to perfection and repeatedly repulsed the opposition's attacks.

The Altona half-backs, P. Shields, R. Waters and T. Findlay, excelled themselves in copybook team work; they kept the forwards well supplied with good passes and were tight in defence.

The Altona goalie, captain Alf Fry, saved a good penalty flick and gave encouragement to the whole team.

GOALS: B. Gardiner 2.

BEST: P. Shields and A. Fry.

UNDER 12

Altona travelled to Kew and gave them a hockey lesson.

The first half was very congested, with the Kew players crowding the play making systematic hockey very difficult. The goals were scored by John Forster and Glen Groves.

A change on the forward line in the second half proved effective when John Mallet, from inside left, scored five goals. The only goal scored by Kew was through a series of costly mistakes from the centre line to the goal.

Altona defeated Kew 9-1.

GOALS: J. Mallet 5, J. Forster 2 and G. Groves 2.

BEST: J. Mallet and S. Breen.

Ladies Hockey

C GRADE

Play started very slowly and girls would not keep in position against Oak Park.

After half-time Altona settled down. Gail Sutherland played a very consistent game. The combination between goalie and backs kept Oak Park scoreless and Altona went on to win 1-0.

LAVERTON REPORT By "Prog."

"Top enders" will be pleased to know that the secretary of the Laverton Progress Association has written to the PMG re a post box on Peters Corner (the corner of Whittaker-ave. and Bladin-st.). Looks like we are to get one in the very near future.

Notice how people are ready to jump on rumours? Last week we mentioned that "a well-known shopkeeper may be selling up." You can rest assured—it's not Peter.

Those residents with the "packing case" garages and chook pens had better start cleaning them up or knocking them down. We heard on the official grape vine that there is to be a blitz (with fines, too!). Don't say you weren't warned.

We are having another service station in Laverton. We wonder shall we have a "5d. off" war here, too? (We hope.)

Have been asked to try to trace any photographs of "The Old Matchbox" or its pioneers. Maybe some resident may know the whereabouts of an old "minutes book" of the progress association. If so could you please contact Mr. Argyle, 7 Bladin-st., Thank you.

A certain character (Willie the Wag) tells me he bought a length of guttering (secondhand) quite cheap. On arriving home he found it was too wide, so he cut the whole length of it (19 feet) with an old fashioned can opener. Just goes to show—"Where there's a will..."

We went along to the Memorial Hall last Sunday afternoon to meet the two lovely ladies that run the Teenage Club. At that time we conversed for about half an hour, using ping pong balls as semaphore flags. Impossible to hear anything above the sound of the music (music?). Anyone for tennis?

More next week.

"PROG."

LACROSSE CLUB DOWN PREMIERS

On Saturday, May 13, Altona continued to show their improved form by defeating last year's premiers, Williamstown Fearons.

In the opening quarter, Williamstown seemed to be in their old form and scored several quick goals and maintained the lead throughout most of the first half, until Altona started to bridge the gap slowly but surely, and when the whistle blew, ending the half, Williamstown led by one goal.

The two teams fought hard and fast for the lead in the final quarter. Altona started scoring faster than Williamstown could manage, and the match ended with Altona leading Williamstown 13-11.

GOALS: J. Houston 5, B. McMinn 4, R. Benedicks, D. McMinn, R. Little and K. Little.

BEST: J. Houston, B. McMinn and R. Rigby.

NEXT GAME

Next Saturday Altona plays Footscray, at present top of the ladder, at Footscray.

TENNIS FINALS ON SUNDAY

The Western Suburbs Tennis Association District Championship finals will be completed on Sunday morning at the Yarraville Tennis Courts at 9-30 a.m.

9-30 a.m.: J. Garnsworthy, J. Parkinson, B. Mellington and H. Tomlins.

11 a.m.: R. Walker, B. Mellington, H. Tomlins, B. Wilson, B. Burrell, W. McConnell, C. Trickey and J. Parkinson.

GOAL: C. Stiles.

BEST: G. Sutherland and J. Deegan.

E GRADE

Altona were beaten 4-1 by a more experienced Footscray, but tried hard for the whole match. Lyn Gilson showed good prospects for the future on the right wing and Robin Deegan played her usual solid game.

Thanks to Susan Elliot for playing at such short notice.

GOAL: J. Pratt.

BEST: J. Pratt and K. Deegan.

Players have been shocked to hear of popular goalie Kay Scott's accident last week and all wish her a full, complete recovery.
